Principal's Corner Thank You Northfield

I wanted to take this opportunity to say thank you to the extended Northfield family for allowing me to be your principal for the last 8 years. I have truly cherished my time here and as I transition into my new role as an educator I am sad to be leaving such a wonderful group of people. I consider myself blessed to have had the privilege to work with the fine staff and students of this great school. I am excited about my new position, but I am definitely sad to be leaving Northfield. This school will always hold a special place in my heart. Thank you for all of the love, support and memories you have provided and may you continue on with the great tradition of excellence at Northfield. Go Huskies!
